### 5. Summary of the company's performance for the year ended December 31, 2025.

BHM Capital Financial Services delivered strong financial growth during the year ended 31 December 2025, reflecting the continued expansion of its operations and improved overall performance. Total assets increased by 50.82% year-on-year to AED 1.82 billion, supported by business growth and strengthened balance sheet positioning. Total equity rose significantly by 93.29% to AED 509.2 million, driven by the capital increase completed during the year, further reinforcing the company's financial position and capacity to support future growth.

Revenue increased by 26.65% year-on-year to AED 205.98 million, driven by higher activity levels across core business lines and continued client growth. Net profit for the year reached AED 43.05 million, representing a 14.87% increase compared to the previous year, reflecting improved operational performance and sustained business momentum.
