Review Report on the interim condensed consolidated financial information

Introduction

We have reviewed the accompanying interim condensed consolidated financial statements of Al Firdous Holdings (P.J.S.C.) (the "Company") together with its subsidiary (the "Group") as at 30 September, 2025, comprising the interim condensed consolidated statement of financial position as at 30 September, 2025, the related interim condensed consolidated statement of profit or loss and other comprehensive income, statement of changes in shareholders equity and statement of cash flows for the Six months period then ended, and explanatory notes. Management is responsible for the preparation and fair presentation of these interim condensed consolidated financial statements in accordance with International Accounting Standard 34, Interim Financial Reporting ("IAS 34"). Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

Scope of review

We conducted our review in accordance with the International Standard on Review Engagements 2410 "Review of Interim Financial Information Performed by the Independent Auditors of the Entity".

A review of interim condensed financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing, and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Basis for disclaimer of conclusion

Receivable on sale of the investment portfolio

As disclosed in note 4 to the interim condensed consolidated financial statements, an amount of AED 326,789,701 (31 March, 2025: AED 326,789,701) is due from Islamic Arab Insurance Co, Labuan, Malaysia being the consideration for the sale of the Company's subsidiary, Al Firdous Group Co Ltd for Hotels, and the Company's Islamic Investing and financing assets, together referred to as the "Investment Portfolio". This amount was to be settled by 31 March, 2011 but is still outstanding as of the date of these interim condensed consolidated financial statements. Based on negotiations being held with Islamic Arab Insurance Co. Labuan, no provision has been made against this receivable as the Board of Directors consider the amount will be recovered in full on the eventual disposal of the assets by Islamic Arab Insurance Co, Labuan. However, we have not been provided with sufficient and appropriate audit evidence to support this conclusion. Accordingly, we were unable to determine the extent of provision, if any, that may be required against this receivable. The audit report on the consolidated financial statements for the year ended 31 March, 2025 was also disclaimed in respect of this matter.

Advances against the purchase of the property

As disclosed in note 5 to the interim condensed consolidated financial statements, an amount of AED 289,939,984 (31 March, 2025: AED 289,939,984) was advanced through a related party for the purchase of land in Dubai. The related party has undertaken to secure the amount of AED 289,939,984 (31 March, 2025: AED 289,939,984) by the assignment of properties to the Company with a fair value not less than an equivalent amount. However, to date, no assignment of properties has taken place and we have not been provided with sufficient and appropriate audit evidence to support the recoverability of this amount. Accordingly, we were unable to determine whether any provision may be required against the advance for the property. The audit report on the consolidated financial statements for the year ended 31 March, 2025 was also disclaimed in respect of this matter.

REVIEW REPORT (CONTINUED)

Disclaimer of conclusion

Because of the significance of the matters described in the Basis for disclaimer of conclusion paragraphs above, we are unable to express a conclusion on the interim condensed consolidated financial statements of the Group.

Emphasis of matter

We draw attention to Exhibit-C to the interim condensed consolidated financial statements. As states therein, the Group has incurred a loss of AED 254,657 for Six months' period ended 30 September, 2025 (30 September, 2024: 270,509) and has accumulated losses of AED 39,855,605 as at 30 September, 2025 (31 March, 2025: 39,600,948). Notwithstanding this fact, the financial statements of the Group have been prepared on a going concern basis as management believes that the future operations of the Group will be able to support its business and meet its obligations as they fall due. The Group is ultimately supported financially by a shareholder that assumes its ability to continue as a going concern.

11 CORPORATE TAX

On 9 December 2022, the UAE Ministry of Finance released the Federal Decree law No. 47 of 2022 on the Taxation of Corporations and Business (the law) to implement a Federal Corporate Tax (CT) regime in the UAE. The CT regime will become effective for the accounting period beginning on or after 1 June 2024.

The Cabinet of Ministers Decision No. 116/2022 effective from 2024, specifying the threshold of income over which the 9% tax rate would apply and accordingly, the law is now considered to be substantively activated. A rate of 9% will apply to taxable income exceeding AED 375,000, a rate of 0% will apply to taxable income not exceeding AED 375,000.

As the Group has no revenue and does not meet the minimum threshold profit, so no provision for income tax has been recorded in the books.
