

**Dubai, United Arab Emirates – 4 March 2026:**

**Dubai Islamic Bank PJSC ("DIB" or the "Bank") wishes to provide the following update to its investors, and the broader market at this time.**

DIB's operations have continued without interruption throughout the recent period. All customer-facing channels including Branches, the DIB Mobile App, DIB Online Banking, ATM networks, and Call Center, have remained fully operational and accessible to customers at all times. The Bank's technology infrastructure and core banking platforms are functioning normally, and no disruptions to service delivery have been experienced. The Bank maintains a strong and resilient liquidity position and is well-positioned to meet all financial obligations and customer commitments in the normal course of business. DIB has maintained close and ongoing coordination with all relevant regulatory and governmental authorities throughout this period. The Bank's management, staff, and support functions have continued to operate in a business-as-usual capacity. Internal governance structures, risk management frameworks, and contingency protocols remain active and effective. The Bank is closely monitoring developments and is committed to safeguarding the interests of all stakeholders.

#### **About DIB:**

Established in 1975, DIB is the largest Islamic bank in the UAE by assets and a public joint stock company listed on the Dubai Financial Market. Spearheading the evolution of the global Islamic finance industry, DIB is also the world's first full service Islamic bank and amongst the largest Islamic banks in the world. With Group assets now exceeding US\$106 billion and market capitalisation of more than US\$18 billion, the group operates with a workforce of more than 10,000 employees and around 500 branches in its vast global network across the Middle East, Asia and Africa. Serving over 5 million customers across the Group, DIB offers an increasing range of innovative Shariah-compliant products and services to retail, corporate and institutional clients.

In addition to being the first and largest Islamic bank in the UAE, DIB has a significant international presence as a torchbearer in promoting Shariah-compliant financial services across a number of markets worldwide. The bank has established DIB Pakistan Limited, a wholly owned subsidiary which is the first Islamic bank in Pakistan to offer Priority & Platinum Banking, The launch of Panin Dubai Syariah Bank in Indonesia early marked DIB's first foray in the Far East, with a stake of nearly 25% stake in the Indonesian bank. Additionally, DIB was given the licence by the Central Bank of Kenya (CBK) to operate its subsidiary, DIB Kenya Ltd. DIB has been designated as D-SIB (Domestic Systemically Important Bank) in UAE. The acquisition of Noor Bank has solidified its position as a leading bank in the global Islamic finance industry. Recently, DIB has successfully acquired minority stake of 25% of T.O.M. Group which provides digital banking services in Türkiye.

The bank's ultimate goal is to make Islamic finance the norm, rather than an alternative to conventional banking worldwide. DIB has won a range of accolades that are testament to these efforts across diversified areas, including retail, corporate and investment banking, as well as CSR and consultancy services. DIB has been named the "Best Islamic Bank" in various prestigious ceremonies marking the bank's leadership position in the Islamic finance sector. As a progressive Islamic financial institution, DIB embraces the opportunities and challenges associated with integrating sustainability into its business by delivering sustainable products and services and by advancing the green and social composition. 2025 marked DIB's Golden Jubilee, with a Bold New Vision for the Future to be prepared to meet the challenges ahead and continue building a legacy of success for the years to come.
