- **EPI's shareholding will reduce to 0.00%**

Empower will continue to operate as an independent public company listed on the DFM, maintaining its focus on delivering efficient and sustainable district cooling services across Dubai.

**About Empower**

Emirates Central Cooling Systems Corporation PJSC, (Empower) was established in 2003 by Ruler's Decree, with the objective of providing world-class District Cooling Services to Dubai and the region. Empower's principal activities focus on the provision of district cooling services and the management, operation and maintenance of central cooling plants and related distribution networks, as well as the production and selling of pre-insulated pipes and fittings. From a modest beginning of its operations with a single temporary plant serving DIFC (the financial district of Dubai), Empower grew exponentially and became the largest District Cooling Services provider in the world by capacity within a span of a decade. Empower provides its services to a portfolio of world-class projects in Dubai such as Dubai International Airport, Dubai International Financial Centre, Business Bay, Dubai Healthcare City, Palm Jumeirah, Jumeirah Lake Towers, Meydan, Deira Waterfront, Blue Waters, Jumeirah Group, Jumeirah Beach Residence, Discovery Gardens, Ibn Battuta Mall, Dubai Design District, Dubai Maritime City, Dubai Production City, Dubai Land Residence Complex and many more.
